PAYMENT ALLOCATION. Multiple loans may be grouped by common characteristics, such as same loan type and lender. Unless you direct payments to an individual loan or loan group, the standard allocation method is as follows. For loans in repayment, when a portion of your payment is allocated to a specific group, it is applied proportionally to the individual loans in the group, first to interest and then principal. Visit Nelnet.com/how-payments-are-allocated for more information. **PAYING LESS THAN YOUR CURRENT AMOUNT DUE.** Payments are allocated first to past due groups. If the current amount due is not paid, payments are allocated across groups from most to least delinquent, in proportion to each group's regular monthly payment amount, less any amount already paid for that month until each group is at the same level of delinquency or all groups are up to date. **PAYING YOUR CURRENT AMOUNT DUE.** Once all groups are up to date, payments are allocated across groups in an active repayment status, in proportion to each group's regular monthly payment amount, less any amount already paid for that month. **PAYING MORE THAN YOUR CURRENT AMOUNT DUE.** After your current amount due is paid, payments are allocated across loans starting with the highest interest rate.

DIRECTING PAYMENTS TO LOANS OR LOAN GROUPS. You can direct payments (including partial payments) to individual loans or groups. See Special Payment Instructions below.

DUE DATE ADVANCEMENT. While in repayment, each time you pay a loan group's regular monthly payment amount, we will advance your due date by one month. If you make a partial payment, your current amount due will be reduced by the amount already paid. **You can instruct us to not advance your due date more than one month, as a one-time or recurring instruction. See Special Payment Instructions below. By selecting this option, your due date will only advance a single month, even though you have paid more than the current amount due. If your account is already paid ahead, selecting this option will keep your due date from advancing further, or call 888.486.4722 if you want your regular monthly payment amount to be due the next month.**

PREPAYMENTS. If you receive a statement for \$0 due, you may have paid extra in the past, which fully covered this month's payment, or your repayment plan requires no payment at this time. You can always pay more without penalty, which will reduce your total cost of borrowing and save you money in the long run. If you aren't required to make a payment this month, you won't be considered past due if you don't make a payment or you make a partial payment. To maintain eligibility for borrower benefits, monthly payments may be required. To find out if prepayments qualify for borrower benefits, call 888.486.4722. If you plan to pursue **Public Service Loan Forgiveness**, visit StudentAid.ed.gov/PublicService for information about prepayments and how a paid-ahead status impacts qualifying payments.

INTEREST ACCRUAL. Interest is calculated using simple interest and accrues daily based on your outstanding principal balance. Visit Nelnet.com/FAQs for more information.

LOAN PAYOFF. To get a payoff quote for an individual loan, call 888.486.4722 or email Help@Nelnet.net.

REPAYMENT OPTIONS. Options are available to lower payments with a repayment plan, sometimes as low as \$0 a month, or postpone payments with a deferment or forbearance. You may be eligible for Standard, Graduated, Extended, Income-Based, Income-Sensitive (FFELP only), Income-Contingent, Pay As You Earn, or Revised Pay As You Earn repayment plans. To explore options or make changes that could help you avoid default, call 888.486.4722, or log in to your Nelnet.com account. You can also visit the U.S. Department of Education's website at StudentAid.ed.gov to review other options like consolidation.

During a deferment (depending on loan type) or forbearance, you are responsible for paying the interest that accrues on your loan. If accrued interest is not paid before the deferment or forbearance ends, or an Income-Driven Repayment Plan is not recertified timely, interest will be added to your outstanding principal balance, which will increase the overall amount you'll have to pay. To see how interest capitalization can affect your balance and the total amount of interest paid over the life of the loan, visit Nelnet.com/interest-capitalization. *If loans are in a deferment or on an Income-Driven Repayment Plan that offers an interest subsidy, the daily interest, estimated interest, and estimated payoff shown above may be overstated because they include subsidized and non-subsidized accrued interest.

REPAYMENT SCHEDULE. Log in to your Nelnet.com account to view your repayment schedule, repayment plan, and other student loan information or call 888.486.4722.

AUTHORIZATION FOR ELECTRONIC DEBIT. If you provide a check as payment, you authorize us to use information from your check to make a one-time electronic transfer from your account or process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution. Payments returned due to non-sufficient funds may be re-attempted a maximum of one time.

DISCHARGE AND FORGIVENESS. You may be eligible for discharge due to disability, death, and bankruptcy (in rare cases), or forgiveness for teachers and public service employment. To explore options, call 888.486.4722 or visit Nelnet.com/additional-loan-assistance.

Special Payment Instructions: You have the option to request that your payments be allocated differently than the standard payment allocation method, as a one-time or recurring special payment instruction.

- Direct your payments (including partial payments) to an individual loan or group of loans.
- Request that we not advance your due date by more than one month.
- Request to allocate excess payments across all loan groups in repayment status, instead of targeting the loan(s) with the highest interest rate. This will keep the due dates for all loan groups aligned.

You may direct one-time payments to individual loan groups by logging in to Nelnet.com and selecting Make a Payment. If you want to direct future online payments to an individual loan instead of directing to a loan group, you may request that your loans be ungrouped by calling us at 888.486.4722. Our call center is open 8 a.m. to 10 p.m. (Eastern) Monday - Friday.
